

# Senior Project Log

**Directions:** During the Senior Project you will keep an up-to-date record of the effort, problems, solutions, results, and time you have spent working on your paper and project. This log will be a part of the Portfolio that you will turn in before your presentation. Your log will be checked four times throughout the course of the year.

There will be two parts to your log entries. The first part will pertain to the facts regarding your project. The second part will be a reflective writing on your feelings about the project. You must use complete sentences in the reflective section. **IMPORTANT:** There are four due dates for these logs; however, begin a new log each time you complete ten hours on your project.
